STAINLESS STEEL SOAP DISPENSER

SKU: HSDISP

Create a safe, sanitary soap-dispensing solution with this 40 fl. oz. (1,200 mL) stainless steel manual surface-mounted horizontal foam soap dispenser! This dispenser for your bathroom is compatible with foam hand soaps (sold separately) and features a soap refill window for visible soap levels that allow you to see when levels are low and immediately refill them. This prevents you from ever reaching an empty dispenser and promotes your excellent customer service and sanitation. Features an easy-to-clean yet durable 23 gauge stainless steel construction with an attractive satin finish for an enhanced appearance. It also includes mounting hardware for easy installation as well as a locking mechanism and key for added security and theft prevention.
