Hanes Ankle Socks

SKU: CH452

KEEP YOUR COOL There's a lot to like about Double Tough men's ankle socks. Made to last, they cradle your foot while doing so with a reinforced, cushioned bottom you'll appreciate with every step. Cool Comfort® fabric wicks away moisture to keep feet cool and comfortable while advanced odor-fighting technology attacks odor-causing bacteria to keep feet smelling fresh. Smooth toe seams enhance comfort even more, and a touch of spandex in the knit blend ensures a stay-in-place fit.
