JonesZylon Max-Flex Deep 6 Comp

SKU: FXST-28

MAX-FLEX dinnerware is blended to maximize safety and durability. SAFE. The specially formulated resin provides the ultimate in safety for your officers and inmates. You cannot create a dangerous weapon out of this material. Ultra-flexible, it can't be sharpened. When melted, it does not harden when cooled. Perfect for high security and suicide watch populations. DURABLE. Blended with other materials to increase Shore D hardness. While maintaining the safety feature, the material properties are modified to resist cutting and wear. The best of both worlds. You can save a lot of money by switching to this reusable product.
